Uniqueness of financial services

It is with our years of experience and knowledge about the category that we have been able to distinguish what will work and what may not. It is this ability and our perspective that our clients value us for. We believe our wealth is in the people, the knowledge and the experience. What we share is our wisdom to 'power our client's financial growth'

A PROLONGED PROMISE REGARDING FINANCIAL SERVICES.

Equal existence – We believe wealth creation must be everyone's right, ensuring that it is not a privilege limited to a few but a possibility for every individual.

Innovation – We believe in moving ahead of time, so we've built an in-house Quant Engine using 300+ Smart Algorithms that help us arrive at the right stock recommendations for our customers.

Humility – We believe in becoming better each day. We value the feedback from our precious customers, competitors, and the market to evolve.

Honesty – We prioritize transparency, integrity, and truthfulness in all our interactions with customers, stakeholders, and the public

Thinking big – We dream beyond the conventional, and embrace innovation and change.

Collaboration – Our customer's success is our success! We recognize the value of working with others to achieve common objectives, enhance capabilities, and create mutually beneficial outcomes.

Impact – We aspire to make a difference in the industry and investor community, becoming a driving force for positive change.

Integrity – We are dedicated to always being honest, transparent, and ethical in everything we do.

MAHASAMVIT

Financial Services

It will be advisory broking company of equity, commodity, currency, bond and mutual fund market and unique wealth creation through modest strategy-based operation for the customers.

We believe that life is all about growth, we believe in growing together with our clients, teams, business partners and associates.

Some of our key focus areas and strengths is research, advisory and not giving only tips to the customers, giving best strategies of making money to the customers, as WARRAN BUFFET SAID THAT TIPS DOES NOT MAKE MONEY ONLY proper STRATEGY CAN MAKE MONEY. And to share education of finance market which we believe, holds the creation of wealth, we will keep our clients updated on the financial market though regular research reports and newsletters via emails, SMS, chats, post popup etc..

Over the longer term, equities have created more wealth and delivered more returns than any other asset class. we will provide an arrangement so that u can simplify the world of equities and unleash their power, so that client's investment may grow faster.

Mission & Vision

MAHASAMVIT FINANCIAL SERVICES LIMITED -(MFSL)

Mission

Our mission is to **provide personal financial services of a superior quality to the members/owners**; our chief concern being their financial well-being. We desire to be the primary financial institution of our members. We will use automation and technology to support a highly trained group of volunteers and staff. Professional managers will be accountable for the **quality of service** and will be given sufficient flexibility in implementing policy to ensure that the member perceives the highest degree of excellence in every contact. Professional marketing will provide **aggressive programs** to sustain and increase growth. We will seek our growth both from new members and by serving the financial needs of present members in a more complete manner. We will not sacrifice quality of present services to seek growth. In order to provide **quality member services**, the credit union must remain financially sound and secure. Adequate operating controls, capital reserves and liquidity will be maintained at all times. We will be sales oriented in our approach to members, but traditional credit union philosophy will remain our guiding principle. Among financial institutions, this credit union is a unique organization with deep and abiding human values. **Our goal is to maintain those qualities.** To innovate not only our products but also how we service and communicate to our shareholders. We intend to **provide transparency** to ensure products are appropriately valued and traded in the market, and offer a diversified selection of investment strategies to facilitate what we believe to be **true diversification for our shareholders**.

Vision

To distinguish assiduous as an admired multinational financial services leader, trusted partner, and provider of innovative solutions for growing and protecting wealth.

Values

We strive to create value for our clients and employees while adhering to principles of excellence and trust.
